

MATERIAL SAFETY DATA SHEET for TF-Feline Medium

Product Number 11-1103 through 11-1107

OSHA "Hazard Communication" (29 CFR 1910.1200)

Section 1: COMPANY / CHEMICAL IDENTIFICATION

Manufacturer's Name and Address: Biomed Diagnostics 1388 Antelope Rd White City, Or 97503
Emergency Telephone: (800) 964-6466
Product Name: ***Tritrichomonas foetus* medium - Feline**
Product Number: 11-1107 through 11-1115

Section 2: COMPOSITION / INFORMATION ON INGREDIENTS

The subject formulation is a nutrient mixture of amino acids, vitamins, organic supplements, antibiotics and inorganic salts.

Section 3: HAZARDS IDENTIFICATION

Warning: This product contains a chemical known to cause cancer, birth defects or other reproductive harm.
Except for distilled water, all hazardous ingredients are in concentrations of less than 1%. All carcinogenic/teratogenic components are in concentrations of less than 0.1%. There is no evidence that the ingredients could be released from the mixture in concentrations that could present a health hazard. Persons known to be allergic to antibiotics must avoid exposure. May cause allergic skin reaction on susceptible individuals.

Section 4: FIRST AID MEASURES

In case of contact, immediately wash skin thoroughly with soap and water. If swallowed, call a physician.

Section 5: FIRE AND EXPLOSION DATA

None reported.

Section 6: REACTIVITY DATA

Tritrichomonas foetus medium is stable; hazardous polymerization will not occur.

Section 7: SPILL OR LEAK PROCEDURES

In the event of a spill involving this material, good personal hygiene should be practiced.
Spill: Wear latex gloves. Absorb liquid material with paper towels and dispose of with normal laboratory trash.
Disposal: Dispose of with normal laboratory trash. Obey all Federal, State and local regulations.

Section 8: HANDLING AND STORAGE

Storage: Store between 15°C to 22°C
Respiratory Protection: Not required in normal product use.
Ventilation: Not required in normal product use.
Protective Gloves: Protective gloves are recommended.
Eye Protection: Not required in normal product use.

Section 9: PHYSICAL PROPERTIES

Appearance: Clear liquid from colorless to light amber color, free of particulate matter.
There are no physical hazards associated with the mixture.

Section 10: SPECIAL PRECAUTIONS AND COMMENTS

Tritrichomonas foetus medium is a product designed for *in vitro* diagnostic use. It is not intended for human or therapeutic use.
